PAEDIATRIC DENTISTRY

Welcome to Growing Smiles Paediatric Dentistry!

Thank you for choosing us for your child's dental care. We look forward to meeting you and your child at your upcoming initial consultation. This first visit gives Dr Vicky Law an opportunity to meet you with your child, listen to your questions and address any concerns you may have. We will conduct a thorough assessment of your child's dental health and provide a tailored treatment plan if needed.

Important information for your appointment:

- **Arrival Time:** Please arrive **10 minutes early** to allow time to complete or review any necessary documents.
- **Appointment schedule:** Should you need to reschedule the appointment we would appreciate at least 48 hrs notice as the appointment that has been reserved for your child can be offered to another patient in need. For young children and anxious children we recommend appointments earlier in the day.
- **Parent/Legal Guardian Required:** A parent or legal guardian must attend the initial consultation appointment. We are unable to proceed with the consultation a parent / legal guardian present.
- **What to Bring:**
  • Any referral letters or recent dental x-rays (if applicable)
  • Private health insurance and/or Medicare card
- **Service Fees:** Consultation fees ($190) is payable on the day and additional fees are applicable if radiographs are taken ($50 per x-ray).
